# COMPOSE with CHORD PROGRESSIONS

Create your own chord progression to strum using I - IV - V - vi.
As you choose each chord for your progression, also mark the number of beats you will strum each one for.

My chord choices: I _____   IV _____   V _____   vi _____

Chord diagrams:

My chord
progression: _____ _____ _____ _____ _____ _____ _____ _____ _____ _____

Number
of beats:

Extra challenge!
Transpose your progression so that it starts on a new tonic chord. My new tonic chord is: _____

_____ _____ _____ _____ _____ _____ _____ _____ _____ _____
