

PICKUP MEASURE MATH

Each line of music of this page begins with a pickup measure. You will need to solve two problems.

- 1) What is the time signature?
- 2) How many beats are missing from the last measure? Draw notes to fill the missing beats.

Remember that the pickup measure and the last measure should add together to equal the time signature.

1) Time signature?

2) Missing beats?

Musical staff 1: A treble clef followed by a dashed box. Below the box is a '4'. The staff contains: a quarter note, a half note, a quarter note, a quarter note, a half note, a quarter note, a pair of eighth notes, a pair of eighth notes, and a dashed box. The staff ends with a double bar line.

Musical staff 2: A treble clef followed by a dashed box. Below the box is a '4'. The staff contains: a quarter note, a half note, a quarter note, a pair of eighth notes, a half note, and a dashed box. The staff ends with a double bar line.

Musical staff 3: A treble clef followed by a dashed box. Below the box is a '4'. The staff contains: a quarter note, a quarter note, a quarter note, a half note, a quarter note, a quarter note, a quarter note, and a dashed box. The staff ends with a double bar line.
